EUROPEAN UNIVERSITY FOUNDATION

Software providers in EWP

18th October 2018 - Barcelona, Spain

Joachim Wyssling

- Let's remember that:

- 'EWP Network' is an electronic network
  - supporting the exchange of student data in an electronic form
- and builds connecting software modules
  - interlinking the existing Erasmus student databases at HEIs.

- Contact your software provider, make sure plans and resources are set aside to connect with EWP
- Understand the timeline of the roll-out
- Inform your partner HEI about this digital transfer and the impact on existing workflows
