

TeRRIFICA

**Territorial RRI Fostering
Innovative Climate Action**

7th October 2019 - Barcelona

TeRRIFICA project has received funding from the European Union's Horizon 2020 research and innovation programme under grant agreement No. 824489

TeRRIFICA:

Territorial RRI fostering Innovative Climate Action

Marta Cayetano

Alícia Betts

ACUP/GUNi TeRRIFICA partner

Communication and Dissemination WP leaders

Pilot regional leaders

EC H2020 project: 42 months (January 2019 – June 2022) Marta Cayetano

8 Consortium members:

1	Wissenschaftsladen Bonn (Bonn Science Shop)	DE
2	ACUP, Barcelona	ES
3	Sciences Citoyennes, Paris	FR
4	Adam Mickiewicz University, Poznań	PL
5	University of Vechta	DE
6	Center for the Promotion of Science, Belgrade	RS
7	Association Education for Sustainable Development, Minsk	BY
8	Rhine-Waal University of Applied Sciences, Kleve	DE

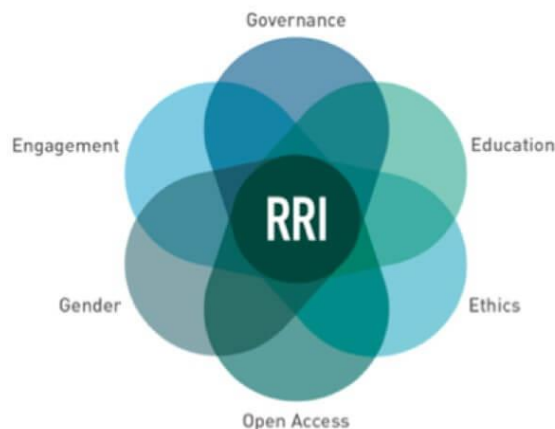

Objective and TeRRIFICA pilot regions

- Foster competence for climate adaptation and mitigation in 6 pilot regions in Europe:

Approach

- **Responsible Research and Innovation (RRI) and its 6 key issues**
 - **Co-creation methodologies**
- **United Nations 2030 Agenda for Sustainable Development and its Sustainable Development Goals (SDGs)**

PHASES and ACTIVITIES of the project

PHASE 1: The Knowledge Phase

- State-of-the-art (July 2019)
- 2 Online Conferences (May 2019 and... today!)
- 3 Reflective Workshops:
 - Feb 2019 in Bonn: RRI and climate action
 - July 2019 in Belgrade: indicators
 - Oct 2019 in Paris: open conference and workshop 'citizens' conventions for mitigation and adaptation to climate change'
- Crowdmapping tool

PHASE 2: Capacity Building

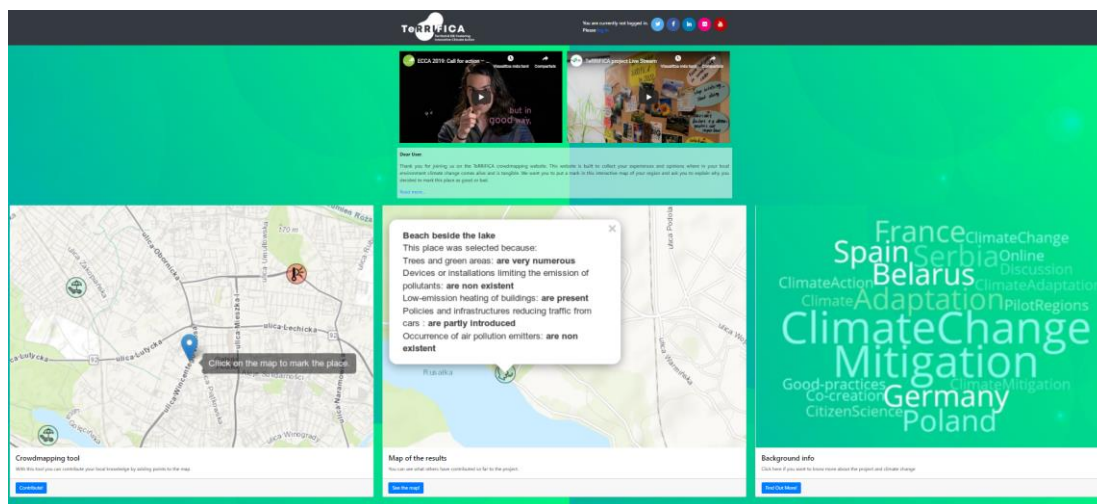

- Trainings and workshops at regional level

PHASE 3: Action Phase

- Exploration of possibilities and build future visions of a climatic landscape
- International reflective workshops
- National consultations
- Summer schools

TeRRIFICA Crowdmapping tool

This website is built to collect citizen's experiences and opinions where in your local environment climate change comes alive and is tangible.

We want people to put a mark in this interactive map of your region and ask you to explain why you decided to mark this place as good or bad.

To be launched in October 2019!
